

## **Thank You For the Best 49 Years+**

### **Marilyn Faye Creasy**

Marilyn and I met in Conestoga, her tenderness and soft voice drew my attention right away. Over a short period of time, Marilyn and I fell in love. Marilyn and I started our own family, she had tender love and care for raising our children, dealing with their problems, and gave her devoted love to all of our kids, grandkids, family and friends. Marilyn never had a bad thing to say about anyone in her entire life. She was the most kind, caring, loving woman god put on this earth - and I mean that! I love her with all my heart, and I am sure anyone that knew Marilyn never had a bad word to say about her. God Called on Marilyn Dec 18th at approximately 2:47AM, and told her time's up. We shouldn't second guess God, when our time is up we will never know the time or date. Instead we should be supporting and caring for our family and friends. We should help them get through tough times like this. My Family and Friends are doing just that. I thank you all, so very much, I love you all. As long as my kids and grandkids are around me I will have a part of Marilyn with me, I love them all very much.

Just a couple of years ago I started my retirement years, I looked around one day on what Marilyn and I have achieved over the years, and what we had. I realized without Marilyn all that all I have means nothing, but with Marilyn I have the world. I miss you so very much, Love you "Mom". My heart is torn in two, and my family and friends are helping me heal. I will always look up and know that you will warm my heart so much. Love you again and miss you so much Marilyn.
